Dear Community Partner,

Safe Return Project is fiscally sponsored by Social Good Fund, a 501 (c)(3) non-profit organization. Our vision as an organization is to empower and increase the visibility of all those who have been impacted by the criminal legal system as a whole. We are invested in building a base of power at the political, social, and economic levels of formerly incarcerated persons across the state of California, addressing the root causes of poverty and the impact that the criminal legal system has had on black people and communities of color.

Safe Return Project and Lift Up Contra Costa are proud to host a community event that will have a profound impact on our society. This event, which encourages and supports women of color and gender equity, will foster a more inclusive community. It will feature panel discussions and networking opportunities and most importantly, celebrate the leadership and contributions of women of color. On Saturday, June 17, 2024, from 10:30 AM - 2:00 PM, we have hand-picked a dynamic group of powerful regional leaders from our community who will lead three-panel discussions focusing on women of color as elected officials and non-profit/advocacy leaders. We are excited to celebrate the remarkable leadership and invaluable contributions of women of color with you!

We understand the value of your support, and we want to express our heartfelt gratitude. Your potential contribution is not just a financial gift, but a symbol of your belief in our cause. We deeply appreciate your consideration and potential support.

We are asking for your support in this valuable community event by contributing on one of the following levels:

- **“She Ready Liberator” - \$50,000** (*Lifts the Limits for Gender Equity for Community Engagement*)
- **“Impact Changer” - \$40,000** (*Provides Gender Equity Resources for Transformation*)
- **“Community Engager” - \$25,000** (*Ensures Gender Equity is in the Forefront of Community Events*)
- **“Supporter” - \$10,000** (*Supports the Gender Equity Movement*)
- **“Friend” - \$5,000** (*Friend of Gender Equity*)
